

## **Strike Press Release**

**January 2020, Touch Mechanics** releases Strike! Ten Bowling for Nintendo Switch in Europe, Australia and the Americas, available as a download on the Nintendo eShop.

Created from the original acclaimed game on Mobile, Tablet and Apple TV. Strike! Ten Pin Bowling on Switch brings two unique ways to play together for the first time on a console.

Detach a Joy-Con and bowl with a Swing in Tabletop and TV mode.  
Attach both Joy-Cons and bowl in Handheld mode using the Touch Screen in portrait view.  
Start the game in the living room and continue the game on the bus.

Touch Mechanics has created a free demo version for players to try these innovative controls.
